GLAAS Inc is excited to offer this opportunity for First Nations artists to use glass to express their creativity and bring their unique cultural influences to glass art works. Free workshops are offered in various glass techniques including leadlighting, copperfoiling and kilnformed glass. All materials and use of equipment is provided. Participants are invited to register their interest and can attend any number of workshops that they wish to.

Workshops are held at Prahran on Saturdays.  
**First workshop for 2024 is on 24.2.2024**

This year our **First Nations Exhibition** will be part of **Melbourne Design Week** starting 23.5.2024 and will run through to **NAIDOC Week 2024**, closing on 13.7.2024.  
**All workshop participants are eligible to submit glass work for the exhibition.**
